New Pilgrim Path Website of the Week, 2nd July, 2017

Saint Ignatius believed that God could speak to us just as clearly in our imagination as through our thoughts and our memories. Contemplation isn't about trying to place yourself in a historic setting, like dreaming you were back in the Middle Ages, it's about trying to encounter Jesus in a personal and unique way. Some excellent imaginative contemplation exercises provided by the English Jesuits can be accessed at www.NewPilgrimPath.ie
