A Reflection on the Holy Trinity

In Andrew Rublev's beautiful Icon we see the Oneness of the three in this icon. They are a unity of persons in one divine nature. The Divine Persons are in relation to each other.

In his book, Behold the Beauty of the Lord: Praying with Icons, Henri Nouwen writes, "Rublev wrote this Icon not only to share the fruits of meditation on the mystery of the Holy Trinity but also to offer his fellow monks a way to keep their hearts centered in God while living in the midst of political unrest." We certainly know that experience today.

Pope Francis wrote the following in 2018: "The Feast of the Most Holy Trinity leads us to contemplate the mystery of God who unceasingly creates, redeems and Sanctifies, always with love and through love."
