PARISH MAINTENANCE FUND

The amount collected for the Christmas Parish Offering was €17,785.00. The Parish Finance Committee wish to thank you for your generosity. These monies will help pay towards the maintenance of the Church, for example the electricity and gas. It was agreed at the last Parish Finance meeting in January to continue with the Parish Maintenance Fund Collection at intervals of four times a year. One collection every quarter. This collection takes place as you leave the Church this weekend. The proceeds of the collection will stay in our parish and aid us to upgrade the alarm system which is over 30 years old, upgrade our lighting system in the Church, to include LED lighting which will enable us to have an economically and environmentally friendly lighting system. We also need to repair/replace some tiles on the roof of the Church, which need maintenance after the recent storms we have endured during the winter.

We placed an order for a Parish Tap machine at the end of November. Last week we finally received a stand for the tap facility. We are still waiting for the Tap machine to arrive!! Hopefully soon...

Thank you again for your generosity and kindness. **The Parish Maintenance Fund Collection** takes place as you leave the Church **this weekend 24th/25th February**, an offering can be left into the Parish Office or on the donate button on our website.

PRAYER FOR LENT

Loving God,
In this season of Lent
you call us to act justly,
love tenderly,
and walk humbly with each other,

In our world today. **AMEN.**
