Father's Day Sunday 15th June, 2025.

Father's Day is celebrated on the third Sunday in June it offers a time for reflection, expression of gratitude, and prayer for our fathers.

God took the strength of a mountain,
the majesty of a tree, the warmth of a
summer sun, the calm of a quiet sea,
the generous soul of nature, the
comforting arm of night, the wisdom
of the ages, the power of the eagle's
flight, the joy of a morning in spring,
the faith of a mustard seed, the
patience of eternity, the depth of a
family need, then God combined these
qualities, when there was nothing
more to add, He knew His masterpiece
was complete, and so, He called it ... Dad.
