Here are a few practical takeaways from Pope Leo's message for this year's World Day for Grandparents and the Elderly.

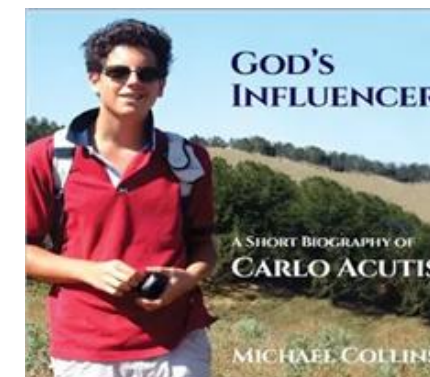

- 1) Take time to see the unique person, and remember your worth as a child of God.
- 2) Make a real human connection, not just a digital one.
- 3) It's never too late to turn to God.
- 4) Don't be afraid of human frailty.
- 5) Pray and work for peace across generations.
